

Documents to be forwarded with the timber transport application

1. Folio obtained within 03 months.
2. Deed and the plan to prove ownership of the land.
3. Letters stating the consent of other land owners and copies of deed if it is an undivided land.
4. Permit for felling trees if the trees are jack fruit or breed fruit.
5. Sales receipt obtained from the seller if they are purchased timber.
6. Environment permits if they have been cut under the environment permit.
7. Timber list. (Timber cut should be kept separately so as to identify and the list should be prepared accordingly.)
